Jewish History in Spain is filled with contradictions. There is tragedy here, but there are also traces of former glories during the 1,000 years before the inquisition - these were large scale Jewish communities that prospered for long periods. We will delve into the past, as well as reach out to the nascent Jewish communities of today to hear their struggles, and their successes. With the Spanish government opening the door to citizenship for Jews with Spanish roots, and the opening of new centers of Jewish culture, there has never been a better time to visit Spain!

Dear Friends,

It is our pleasure to invite you to join Hope and me on a very special mission to Spain, July 3- 14, 2016. This trip is being arranged and developed by the Cantors Assembly of which I am presently serving on the board.

This mission will include concerts, meetings with Spanish Officials, American, Canadian and Israeli Diplomats, learning with renowned scholars as well as meeting with Jewish community leaders who represent some 20,000 Jews now living in Spain. The Holy Blossom Temple contingency will be part of a group of congregants from around the world along with 100 Cantors whose purpose it will be to help further dialogue and build a stronger relationship between Spain, Israel and world Jewry. Our previous missions to Poland and Germany were literally life changing experiences inspiring, emotional, fun and educational. Those were and this will be an extraordinary Jewish adventure.

Looking forward to our next experience together,
Cantor Beny and Hope Maissner
