# MUSICAL HERITAGE CONCERT SERIES

## 2020

Musical Heritage Concert Series  
2020

## KALEIDOSCOPE OF JEWISH MUSICAL HERITAGE

What a great privilege and honour it is for me to have lived to experience the best in Jewish music at Holy Blossom Temple. As in the past, our theme is in sync with our mission statement: To promote the widest variety of Jewish music. My personal goal has always been to raise our musical awareness and appreciation to the highest level.

It is in this spirit that our Musical Heritage Committee and I are dedicating the 2020 concert series to you, our dear congregation, as a token of appreciation for your on-going support over the many years I have served as your Cantor.

*Shir Lanetzch!* To sing forever!

Yours,
